

NIDA Research Training and Career Development

CAREER STAGE

High School

NIDA Summer Research Internship Program

Predoctoral

Predoctoral Individual NRSA (F30, F31, Diversity F31)

Institutional Predoctoral Training and Education Support (T32, R25)

Dissertation Grant (R36)

Research Supplements to Promote Diversity in Health-Related Research (Diversity Supplements)

Postdoctoral

Institutional Postdoctoral Training and Education Support (T32, R25)

Postdoctoral Individual NRSA (F32)

Pathways to Independence Award (K99/R00)

Pathways to Independence Award in Tobacco Control Regulatory Research (K99/R00)

Loan Repayment Program (L30, L40)

Mentored Research Scientist Development Award in Tobacco Control Regulatory Research (K01)

Mentored Clinical Scientist Award in Tobacco Control Regulatory Research (K08)

Research Supplements to Promote Diversity in Health-Related Research (Diversity Supplements)

Transition Career Development Award in Tobacco Control Regulatory Research (K22)

Early

Mentored Research Scientist Development Award (K01)

Mentored Clinical Scientist Development Award (K08)

Institutional Mentored Clinical Scientists Development Program Award (K12)

Mentored Patient-Oriented Research Career Development Award (K23)

Mentored Quantitative Research Development Award (K25)

Research Supplements to Promote Diversity in Health-Related Research (Diversity Supplements)

A/START (R03)

B/START (R03)

I/START (R03)

ECHEM (R21/R33)

Research Project Grant (R01) – for Early Stage or New Investigators

Middle

Independent Scientist Award (K02)

Mid-Career Investigator in Patient-Oriented Research Award (K24)
